GENERAL LAWS, CHAPTER 59, AS AMENDED

SECTION 43. The assessors shall make, on the books furnished under section forty-five, a list of the valuation and the assessment thereon, in the following manner: In each column provided in the book or books so furnished shall be entered the valuation of that portion, if any, of the personal property of each person and corporation, indicated by the heading thereof. SECTION 45. The commissioner shall provide each city and town, on or before April first annually, suitable books for the use of the assessors in the assessment of taxes, which shall contain blank columns, with uniform headings for a valuation list, and blank tables for aggregates, in the following form or in such other form as the commissioner shall from time to time determine; provided, that in lieu of the valuation list provided for in this section and the preceding two sections, the assessors of any city or town may, with the assent of the commissioner, prepare a valuation list upon books furnished by the city or town and in such form as the commissioner shall approve, and that, for the separate listing of poll taxes under section four of chapter sixty, such portion of the books furnished by the commissioner as he shall determine may contain only the first three columns of said form.

EXPLANATION OF TABLE OF AGGREGATES

The figures entered in this table are to be compiled from those entered in the Valuation List. They should represent polls and property actually assessed for a tax in money, and should include nothing which is tax exempt.

The totals in Columns Five and Seven should each respectively be the sum of the figures above them in the same column.

In Column Four the amount entered should be the sum of the four items in Columns Two and Three (c, d, e and f).

In Column Six the amount entered should be the sum of the totals in Columns Four and Five.

In Column Seven (except for such slight variations as may be caused by fractions) the tax "On Personal Estate" will be the tax on the total of Column Four; the tax "On Real Estate" will be the tax on the total of Column Five; and the tax "On Polls" will be the number in Column One (b) multiplied by $2.00.

No figures relating to the Motor Vehicle Excise Tax are to appear on the Table of Aggregates.
